# Waseem Baig

Python and Java Developer | Web Development Enthusiast |  
Proficient in Data Structures & Algorithms | Intern at InternPe |  
Aspiring Data Scientist  
Guntur East, Andhra Pradesh, India

## Summary

Experienced proficiency in Python, and Java, and adept at problem-solving. Skilled in leveraging Python and Java to develop innovative solutions, with a keen eye for detail and a passion for continuous learning. Excited to collaborate on challenging projects and drive impactful results.

## Experience

### Oasis Infobyte

Intern

March 2024 - Present (1 month)

Remote

Excited to announce that I've been offered an internship opportunity with Oasis Infobyte as a Java Development Intern!

I'm thrilled to embark on this journey to further develop my skills in Java programming and gain hands-on experience in software development within a dynamic and innovative environment.

I'm grateful for the opportunity to learn from experienced professionals at Oasis Infobyte and contribute to meaningful projects that align with my passion for technology and problem-solving.

#Internship #JavaDevelopment #OasisInfobyte

### CodSoft

Intern

February 2024 - Present (2 months)

Remote

Excited to share that I've accepted an internship offer in data science from Codsoft! I'm thrilled to join their team and delve into the world of data-driven

insights. Looking forward to applying my skills and learning from experienced professionals in the field. #DataScience #Internship #Codsoft

## InternPe

### Intern

February 2024 - March 2024 (2 months)

"I'm thrilled to announce that I've accepted an internship offer through InternPe! Excited to gain hands-on experience in Python Programming and looking forward to contributing to InternPe's team. Grateful for this opportunity and eager to learn and grow in this role! #Internship #NewBeginnings #Excited"
